
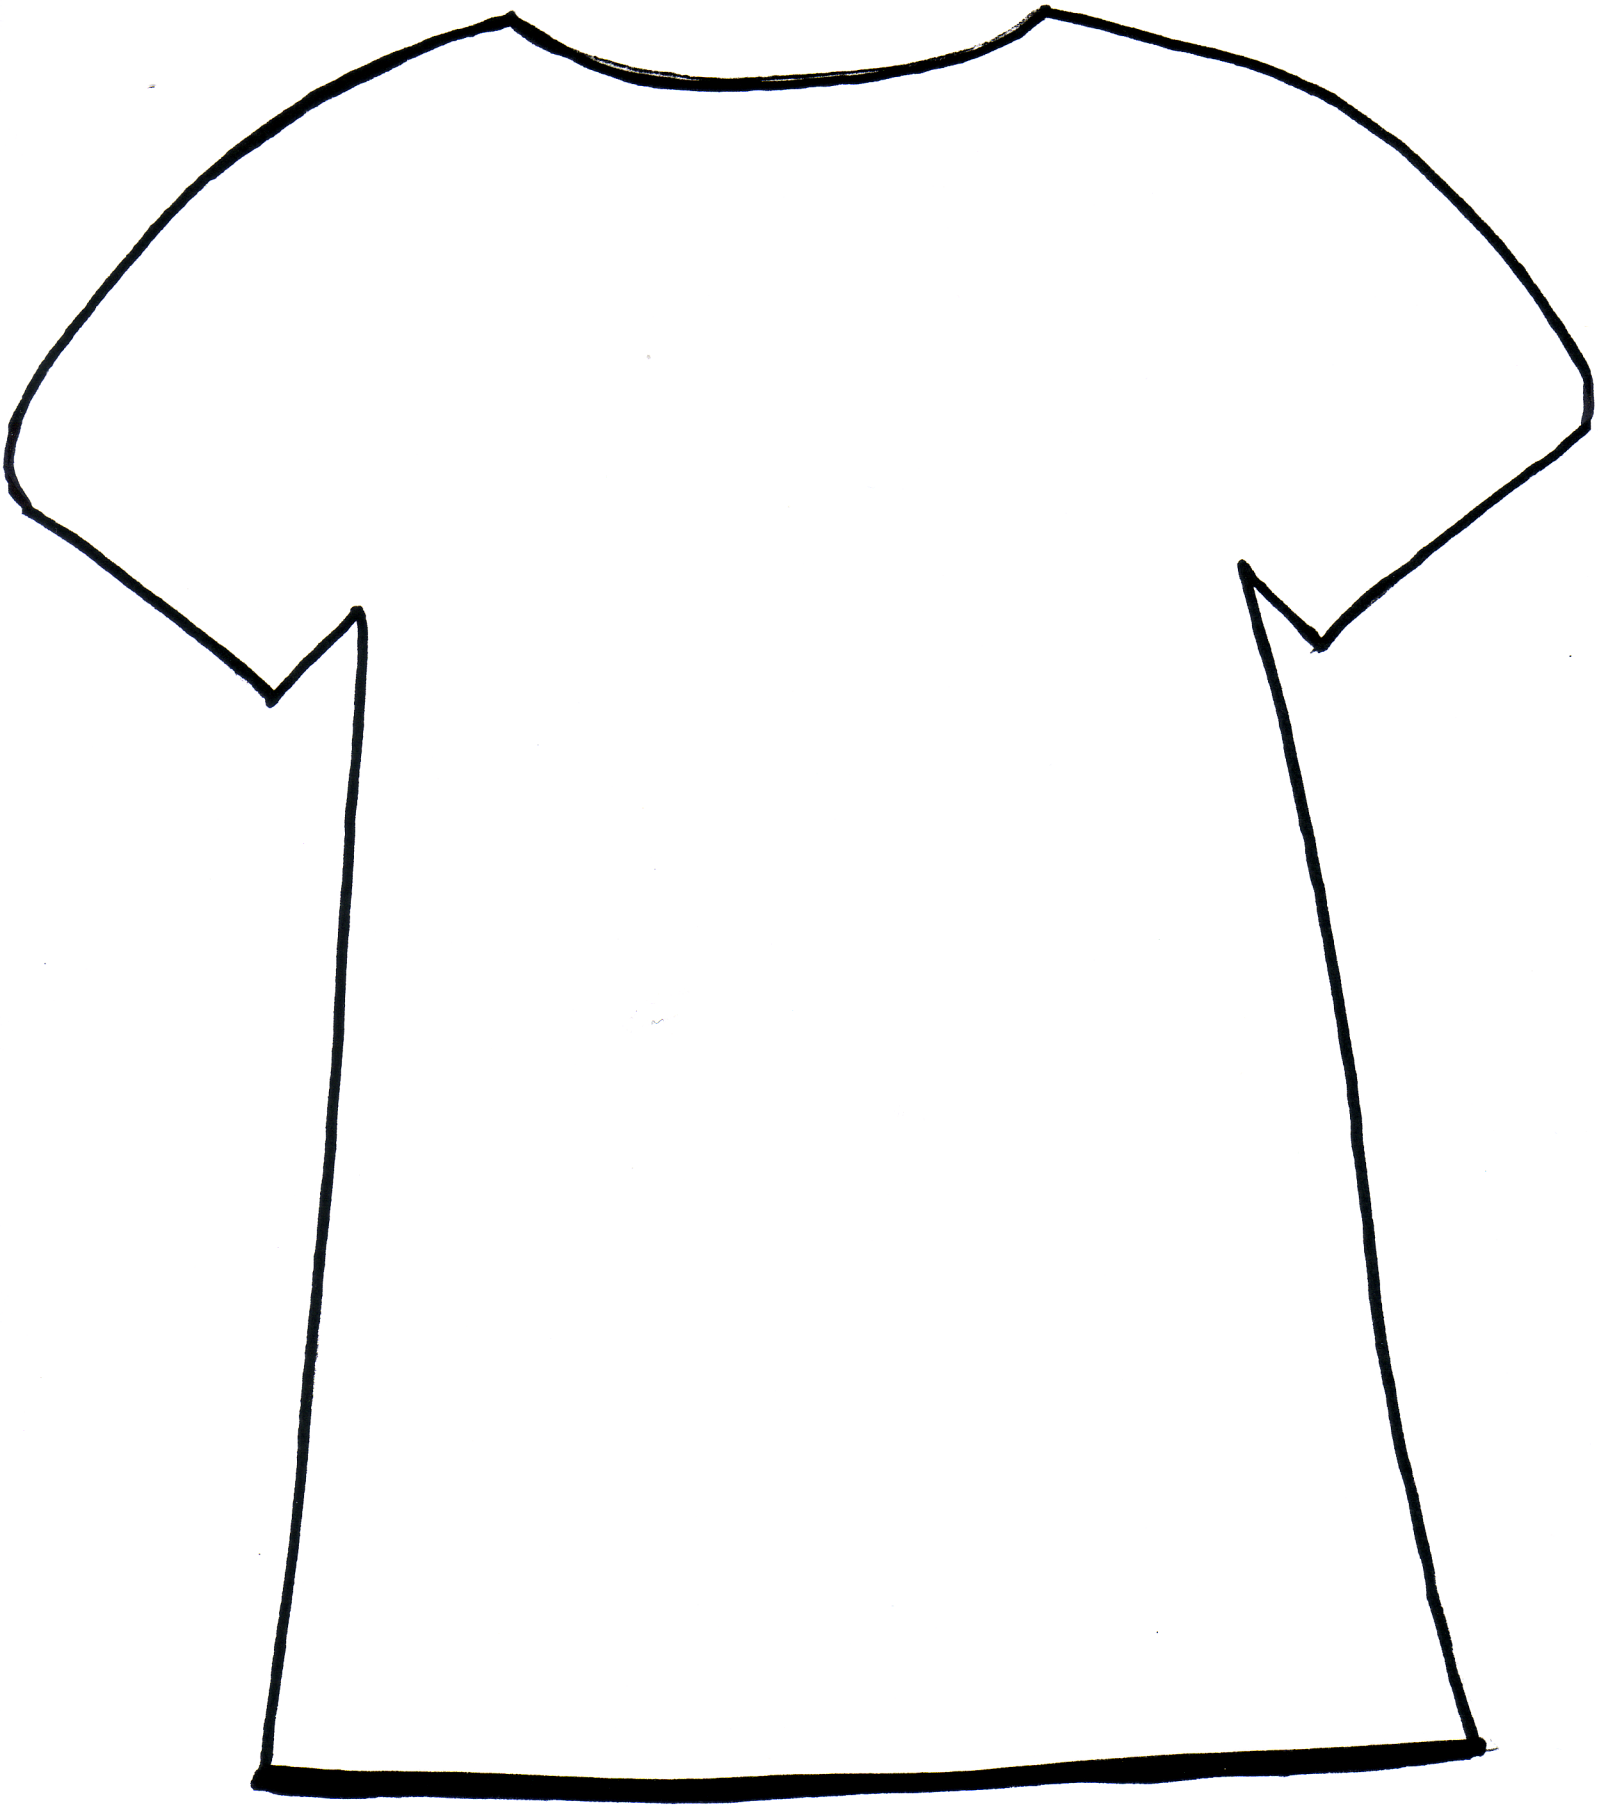
HANGING OUT WITH BOOKS

All girls entering grades 1-4 are invited to participate in a Moss Hall summer reading activity. Keep a list of titles of books you read and would like to share with others. You may read on your own or listen to books read to you.

- Use the pattern to trace the t-shirt onto construction paper.
- Write the titles of books you have read on the front of the t-shirt.
- Decorate the front of your t-shirt. You may be as creative as you would like.
- Include your name on the back of your t-shirt.
- Bring your decorated t-shirt on the first day of school and give it to your teacher.


Your t-shirt will be displayed on a "clothesline" outside your new classroom. Have fun "hanging out with books" this summer!
