ANNUAL REPORT OF GIFTS

This generation thanks you.

2018-2019 TOTAL FUNDS RAISED

Unrestricted Annual Fund	\$912,464
Restricted Gifts	\$29,286
Capital/Endowment*	\$4,939,062
Buckman Performing and Fine Arts Center	\$67,290
St. Mary's Community Fund	\$41,810
Total	\$5,989,912

*This includes gifts and pledges

ST. MARY'S
EPISCOPAL SCHOOL
For Girls. For Life.

Dear Friends,

The past 16 months have been busy ones on the corner of Perkins and Walnut Grove. We have torn down buildings, rearranged classes, carpool, and Chapel, fed 600 students and faculty from a makeshift cafeteria, and marveled at the patience, flexibility, and good humor of our entire school community. The exterior of the new Athletic and Wellness Center is almost finished, the interior spaces are more clearly defined, and we see appreciable progress daily.

The soon-to-be-completed Athletic and Wellness Center is the capstone of our campus master plan initiated 15 years ago. Thanks to those Trustees who successfully saw us through the fundraising and the construction of Garrott Hall, the Marlene R. Shaw Early Childhood Center, and the Windland Smith Rice Building, and **donors like you**, we are realizing their vision and fulfilling our promise to “keep the students in health of mind and soul and body.” These words from the St. Mary’s School Prayer illuminate the very heart of both the FOR GIRLS. FOR LIFE. FOR GENERATIONS. Campaign and the building project we are poised to complete.

While the Campaign has been the focus of much of the philanthropy you will read about in this report, it does not constitute all of it. The Annual Fund is the lifeblood of St. Mary’s and what continues to enable us to offer extraordinary learning experiences to girls of all ages. Our growing endowment offers support for financial aid, technology, professional development, the arts, science, wellness, speakers, and various awards for students and faculty. Many of you contributed not only to the campaign, but were generous donors to the St. Mary’s Community Fund, the student-run philanthropic organization that in 2019 granted \$31,500 to five different licensed non-profit Mid-South agencies.

Everything we do at St. Mary’s is made possible by the generosity of people like you. For generations, parents, alumnae, and friends have given to support our students and faculty. And now, you are giving to support and sustain St. Mary’s for future generations. Thank you from all of us.

Sincerely,

Albert Throckmorton

Albert L. Throckmorton
Head of School

Head of School Albert Throckmorton conducts a tour of the Athletic and Wellness Center.

A CAMPAIGN FOR GIRLS. FOR LIFE. FOR GENERATIONS.

Last October, after years of planning, construction of St. Mary's long-needed and much-anticipated Athletic and Wellness Center was underway. But replacing the well-used but no longer functioning Barth Gymnasium and small, windowless cafeteria entailed inconvenience, sacrifice, and careful coordination and planning. Construction crews had razed the building, dug an enormous hole, and constructed the underground support structure for the Athletic and Wellness Center. Slowly the framework grew, and the full size of the new building soon became apparent. At the end of the 2019 school year, the FOR GIRLS. FOR LIFE. FOR GENERATIONS. Capital Campaign total stood at \$20.5 million.

Excitement on campus is palpable as the opening of the Athletic and Wellness Center draws closer. The finishing

touches are underway, and this final piece of St. Mary's master facilities plan will soon be full of girls playing, learning, and growing as they discover their individual potential.

FOR GIRLS. FOR LIFE.
For Generations.

DR. JERRY FRANCISCO: A GIFT OF APPRECIATION

By Lexie Rook '17

Dr. Jerry Francisco is a retired professor of pathology at the University of Tennessee Health Sciences Center and was appointed Shelby County's first medical examiner in 1961. As a forensic pathologist, he performed thousands of autopsies, most notably those on Dr. Martin Luther King, Jr. and Elvis Presley. But in the midst of his busy career, Dr. Francisco was also raising three accomplished St. Mary's girls: Lisa Francisco Abitz '75, Dr. Susan Francisco '77, and Tabitha Francisco McNabb '78. Each of his daughters has capitalized on her St. Mary's foundation to determine her own path to excellence: Lisa recently retired as the Assistant Director of the Art Museum at the University of Memphis; Susan is a nephrologist in Jackson, TN; and Tabitha is a medical malpractice defense attorney in Memphis who coaches the St. Mary's mock trial team. As an academician who has trained countless pathologists for their future careers, Francisco is passionate that St. Mary's should only get better

for future generations of students. He credits St. Mary's with being a fundamental building block of his daughters' successes, seeing the push to excel not only from their teachers but also peer-to-peer and from within each of his daughters. Dr. Francisco was inspired to give to St. Mary's FOR GIRLS. FOR LIFE. FOR GENERATIONS Capital Campaign, because he wants to see school facilities that are the equal of the quality of instruction he knows Lisa, Susan, and Tabitha received. Just as he pursued knowledge and excellence in his own career and showed his students how to follow suit, Dr. Francisco appreciates that St. Mary's equipped his daughters to be able to do the very same thing in their chosen fields. And for that reason, he supports St. Mary's.

FOR GIRLS. FOR LIFE. FOR GENERATIONS: A FITTING TITLE FOR THE WELLFORD FAMILY

By McKendree Walker '15

For 63 years, Judge Harry Walker Wellford and his late wife Katherine Potts Wellford devoted their lives to faith, family, community, profession, and friends, and St. Mary's was an important part of that. Family photographs showcasing generations of St. Mary's graduates decorate the walls of Judge Wellford's apartment. A painting of the family home on North Perkins where Harry and Katherine raised their five children also hangs in the living room. Katherine Wellford, named after Katherine Estes Nesbitt, an early 20th Century St. Mary's graduate, grew up in this house located where the Marlene R. Shaw Early Childhood Center now stands. For Judge Wellford, this painting evokes a place and time he cherishes because of the vivid memories of raising his children there and the many connections to St. Mary's next door.

For forty-four consecutive years, Judge Wellford walked his daughters and granddaughters to school. He describes those years as a "warm family that was intertwined in the fabric of our lives." The Wellfords had no questions about where their two daughters would go to school. They entrusted St. Mary's with educating Kate Wellford Gould '78 and Allison Wellford Parker '83, and a generation later Kate, Allison, and their brothers Beasley and Buck made the same decision for their daughters. In all, Judge Wellford boasts seven St. Mary's granddaughters — Liza Orgill Fletcher (daughter of Beasley Wellford and Adele Orgill Wellford '77), Caroline Wellford '14 (daughter of Buck Wellford and Sara Davidson Wellford '78), Estes Gould Hughes '08 and Meg Gould '11 (daughters of Kate Wellford Gould '78 and Jimmy Gould), and Katherine '14, Annie '16, and Ellen Parker '21 (daughters of Tommy and Allison Wellford Parker '83).

Judge Wellford praises how St. Mary's provided unparalleled support and care of his daughters and granddaughters through "times of immense growth despite how incredibly different each girl is." One of his daughters and a granddaughter continue that legacy today. His youngest child, Allison, returned to St. Mary's in 1992 as a teacher and is now the Upper School Guidance Counselor, delivering the same support and care she received as a student. Granddaughter Liza came to St. Mary's to coach Middle School track and now teaches the youngest students in the Early Childhood program.

Judge Wellford made one of the very first gifts to the FOR GIRLS. FOR LIFE. FOR GENERATIONS. Capital Campaign. His gift celebrates his wife Katherine — her eighty-seven years of life, their sixty-three years of marriage, and her boundless and enduring impact on the Wellford family and St. Mary's community. Katherine embodied the values that St. Mary's holds dear: loyalty, devotion and integrity. Their five children Beasley Wellford, Buck Wellford, Hal Wellford, Kate Gould, and Allison Parker joined their father in giving to the capital campaign to honor their mother's leadership and memory. The family gift makes possible an outdoor student plaza near the new Athletic and Wellness Center to be named joyfully in memory of Katherine Potts Wellford.

REKESHIA HUDSON

By Margaret Cowens '17

Rekeshia Hudson knows what is important: faith, her church, her daughters and her family, her girls' education.

Rekeshia Hudson is faithful. She doesn't worry about how things will turn out. She just knows they will. She lost her high school sweetheart, her husband Cleo, less than two years ago when Chance was five and Rylee just a toddler. Being a single mom is hard, but Rekeshia's faith sustains her.

Rekeshia Hudson shines - from the inside. She has a smile on her face, an encouraging word on her lips, a warm hug, and a comforting shoulder to offer.

Rekeshia Hudson is grateful. Brown Missionary Baptist Church and St. Mary's were her sanctuaries when she grieved her greatest loss. The people she had cared for and loved in those places now cared for and loved her and her girls. Rekeshia will not forget that.

Rekeshia Hudson is a survivor. She and Cleo chose St. Mary's because they knew it would change their

daughters' lives. She honors Cleo and the decision they made together, standing by what they fell in love with at St. Mary's from the very beginning. As the sole provider for Rylee and Chance, Rakeshia has embarked on a new career and is watching her daughters bloom at school.

Rekeshia Hudson gives. She describes herself as a "giver by nature" who goes all in for what moves her. When she received an invitation to come learn about St. Mary's new Athletic and Wellness Center, she came, saying, "I'm always delighted to be a part of whatever benefits my daughters and this community."

Rakeshia Hudson with daughters Rylee (left) and Chance.

When asked to give, she said, "Yes. If it will help St. Mary's, then it will help my girls. Yes, I'll find a way." And she did, becoming a 2020 Visionary, happy to be part of such a "future-focused movement" that will build a building, but which is about so much more than that. As she says, "It's about what will take place in that building that is the future of St. Mary's." Thank you, Rekeshia Hudson, for helping St. Mary's dreams become reality in so many ways.

TWO EXTRAORDINARY ALUMNAE LEAD CAPITAL CAMPAIGN

By Angie Gardner

Two alum phenoms, Allison Garrott Braswell '88 and Margaret Frazier Gardner '85, teamed up to lead the FOR GIRLS. FOR LIFE. FOR GENERATIONS. Capital Campaign. Allison serves as co-chair along with Barbara and Pitt Hyde, but it is Allison who handles the day-to-day operations. Margaret, who works closely with Allison said, "It has been a tremendous honor to have served as St. Mary's Board Chair during this exciting moment in the school's history. I have often thought of Mary Davis and other past school leaders who would be proud of the progress and growth we have made while always staying true to our mission."

Margaret and Allison demonstrate exceptional leadership, dedication, and perseverance as they work to complete the campaign and the school's master facilities plan with the addition of the Athletic and Wellness Center. The building will house the long-overdue new dining room and 94-ft. court gymnasium, as well as classrooms, athletic department offices, locker rooms, and training and fitness spaces. Allison adds, "But, this building is not just a building. It is simply one of the means to the greater end of *encouraging and enabling each student to reach her individual potential*. This facility, along with the added ingredients of programming, faculty, and students, will propel our girls into the Memphis community and beyond, having a positive impact on the places and people that they encounter."

Allison and Margaret agree that, "Working on the campaign reveals time and again what an extraordinary community we have." They are grateful to the outstanding group of volunteers who help spread the word and share the vision of how the Athletic and Wellness Center will help St. Mary's keep her students in health of mind and soul and body. "We have made new friends and developed a new

network of donors. The outlook for philanthropy at St. Mary's is bright."

St. Mary's and Church of the Holy Communion partnered to raise the funds for the Athletic and Wellness Center, which the two institutions will share. The project requires careful, coordinated planning and constant communication between church and school leaders. Allison said that, "Albert Throckmorton and Rev. Sandy Webb share a deep friendship and hold great respect for one another; our work together is imbued with a spirit of camaraderie which

makes even the most irksome challenges and delays easier to resolve.”

While celebrating many important moments over the past two years, a particularly poignant one stands out for them both. According to Allison, “We received \$5 from a first grade student, our youngest donor. Her gift is a symbol of the future generations who will enjoy this new building.” Margaret recounts another high point: “I will never forget hearing that the faculty had far exceeded their campaign goal and that almost all of them contributed to the effort. At that early juncture, we knew that we had a great story to tell—one that would send a compelling message to the St. Mary’s community.”

They tell the story well. The fruits of their leadership and labor, along with that of the many volunteers who work with them, really are for girls, for life, for generations.

LUMINARY LEADERSHIP CIRCLE

The Luminary Leadership Circle recognizes young alum philanthropists as patrons of the Nathaniel C. Hughes Society, one of St. Mary's most esteemed giving societies. The Classes of 2000-2014 were eligible for membership in 2018-19 at donation amounts ranging from \$100 for the Class of 2014 to \$450 for the Class of 2000.

LUMINARY LEADERSHIP CIRCLE CO-CHAIRS LEAD THE WAY

The Luminary Leadership Circle (LLC) is a giving society for St. Mary's alumnae who have been out of college less than 15 years. To join, these emerging philanthropists make an Annual Fund donation at a level based on the year of their graduation. For their generosity, they are recognized as members of the Nathaniel C. Hughes Society, one of the school's most esteemed philanthropic societies for those who give \$1,000 or more annually.

This past year, 48 alumnae from the classes of 2000-2014 joined, an increase of over 38% from the previous year.

Whitney Baer Foster '00, Lizzie Gill '03, Elizabeth Summitt Gordon '07, and Lucy Wade Shapiro '11 were co chairs during 2018-19, and they all say that they were inspired to serve as a way to give back. Whitney said, "St. Mary's gave me so much.

Whitney Baer Foster '00 and Lizzie Gill '03
(not pictured: Elizabeth Summitt Gordon '07 and Lucy Wade Shapiro '11)

That's why I give and why I'm comfortable asking others to join me. I wouldn't be where I am today without St. Mary's, and that's reason enough for me to sign on when I'm asked to give or volunteer." Lizzie admitted that it is sometimes challenging to inspire others to stretch in their giving, but from her own experience, the giving levels are not burdensome, especially when broken up into monthly payments, a practice she

recommends. "When I think about what my gift will help make possible — and I lived the St. Mary's experience, I know what that's worth — I'm sold." The legacy of their school and the opportunities it provided these young donors are the impetus behind their philanthropy, their leadership, and their service.

“PEOPLE SAY

that St. Mary's productions have that special something that makes theater magical. Whether it's a costume, a set piece, tap dance instructor, or even a professional actor, the generosity of those who support the school helps make magic on the Rose Theater stage. Your gifts raise the bar for St. Mary's theater program.”

- Jenny Madden, *Director of Plays*

*The National Merit
 Scholarship Foundation
 recognized 18%
 of the CLASS
 OF 2019, three
 as National Merit Finalists
 and six as National
 Merit Commended; one
 was recognized by
 the National Hispanic
 Recognition Program.*

“ATHLETICS is booming on every corner of campus. Lower School girls competed in swim, cross country, and lacrosse for the first time ever. Middle School basketball and swim won their Shelby League Tournaments while varsity fencing and trap both finished as State Champions. Additionally, varsity lacrosse was a regional champion and advanced to the State Final Four for the third consecutive year while varsity trap posted a school-record score and finished 18th out of 92 squads at a national tournament. In total, 15 varsity athletes were named to an all-region team, two were named as All-Americans, and an additional two students were named *Commercial Appeal* Players of the Year in their sport. When you gave to the 2018-19 Annual Fund you helped provide equipment that strengthened us, uniforms that showed off our TurkeyPride, and activities that enhanced the overall student-athlete experience. Thank you!”

- John Bartholemew, *Athletic Director*

“LOWER SCHOOL STUDENTS

are the recipients of lots of new tools and technology provided in part by the Annual Fund. Perhaps the most unusual: underwater SeaPerch robots for fifth grade robotics. Our new SK-4th grade math curriculum is another key addition the Annual Fund helped make possible. Other learning and creative tools the girls are enjoying thanks to Annual Fund giving include new SMART boards in third grade classrooms, materials for our super cool maker projects like Fairy Tale Engineering, Roman Roads, and Shark Tank, plus new iPads and computer carts. These educational tools are vital to our curriculum, and we couldn't be more grateful for them.”

*Deceased

“There is so much happening in **EARLY CHILDHOOD!** Thanks to Wendy Gallik’s creative thinking and a private gift, we have a new painted sensory patio that is great fun and so good for the girls. Our learning specialists and PK teachers created an **AMAZING** multi-sensory Language Arts and Math program that focuses on building phonemic awareness and number sense. I’m grateful that our science teacher Carrie Ruhland was able to attend the International Society for Technology in Education conference where she made countless connections with other science teachers and was blown away by the breadth and depth of the workshops she attended. Carrie returned with fabulous new ideas for her curriculum, and she is especially excited about innovations to incorporate in her teaching of screen-free coding. These opportunities and accomplishments happened because so many people support our Annual Fund — **THANK YOU!**”

VALERIE JACKSON MARKLEY '62 GIVES GRATEFULLY THROUGH THE DECADES

By Angie Gardner

Valerie Jackson Markley '62 epitomizes a loyal alumna. She graduated more than 50 years ago and keeps St. Mary's a philanthropic priority. Valerie has given to the school every year for over 35 years, as far back as school records date. What inspires that kind of loyalty? Valerie says, "It's simple — the desire to provide future generations the academic, character, and spiritual foundation I received at St. Mary's."

Valerie began her journey at St. Mary's in kindergarten, when the school was housed at Grace-St. Luke's Episcopal Church. Four years later, St. Mary's moved to its present location, and Valerie joined her classmates at the corner of Perkins and

Walnut Grove. Like so many other alumnae, she took ballet, played basketball in Barth Gymnasium, and thrived with teachers who "made everyone in the class feel special and important" and encouraged her "to believe in herself as a student and scholar." And she joins many fellow alumnae in declaring her favorite memory as daily Chapel, describing it as "calming and character-building for the coming day and life." More unusual is how Valerie learned to perfect her broad jump — by leaping from landing to landing down the stairwells.

Valerie appreciates the essential role played by St. Mary's throughout her career and life. Valerie received a diploma in nursing from Methodist Hospital School of Nursing in 1965, followed by undergraduate and graduate degrees in nursing from Indiana University School of Nursing. She began her career as a staff nurse and later became a psychiatric nurse practitioner and assistant professor of nursing; she also served as a Lieutenant Colonel in the U.S. Army Reserve from 1984-2005. After retiring from teaching in 2013, Valerie completed her Doctorate of Nursing Practice from Brandman University and continues to work fulltime as a psychiatric nurse practitioner. She and her husband Ted raised two sons and live on a farm where Valerie enjoys her dogs, fishing, and gardening. This dedicated alumna embodies the characteristics and values she cherished at St. Mary's and demonstrates them through her faithful support.

ENDOWMENT

ENDOWMENT GIVING PROVIDES NEW PROGRAMS AND SECURES THE FUTURE

The funds invested through St. Mary's endowment generate annual operating revenue today while helping ensure the school's financial future. A healthy endowment strengthens St. Mary's in every regard, from managing tuition growth and providing financial assistance, to attracting and retaining the very best faculty, and protecting the school for future generations.

Please contact Director of Advancement Angie Gardner at agardner@stmarysschool.org or (901) 537-1421 for more information about how you might structure an endowment gift.

Established in 2001 by former Head of School Tom Southard in memory of Edie Southard.

Scott & Tera Southard Ester

John & Shannon Farris

Ryan & Laura Southard

Tom & Donna Southard

Young Owens Fund

Established in 1990 by Katharine Young Owens '17 in honor of her sisters Rebecca Locke Young and Louise Johnson Young.

NIMMAGADDA AWARD FOR INTELLECTUAL CURIOSITY CAPTURES ESSENCE OF ST. MARY'S FOR THIS FAMILY

By Margaret Cowens '17

The Nimmagaddas with Emmaline Rogers '19, the first recipient of the Drs. Indiradevi and Rhaghavaiah Nimmagadda Intellectual Curiosity Award.

In 1976, Drs. Indiradevi and Rhaghavaiah Nimmagadda made the move to Memphis, along with their middle school aged daughter Sudha Nimmagadda Ganguli '83. With all of the decisions involved in moving to a new city, Dr. Rhaghavaiah, a urologist, explains how choosing a school was one of the easiest. "Everyone I asked described St. Mary's as 'the best school in Memphis,' and this great reputation in the community is what ultimately influenced us to enroll Sudha." Sudha started at St. Mary's in the 7th grade, and the Nimmagaddas all knew right away that they had made the right decision. Indiradevi reveals that she quickly saw how a St. Mary's education "stimulates critical thinking and allows girls to develop independent skills along with their personal interests."

Now the Nimmagaddas are experiencing St. Mary's again, as their two granddaughters, Sadhika '21 and Sarada Ganguli '30 follow their mother's footsteps as St. Mary's girls. Indiradevi and Rhaghavaiah see how St. Mary's shaped their daughter into "a confident, well-rounded woman" and is helping their granddaughters become "extremely articulate and receptive girls." These qualities of a St. Mary's girl have inspired the Nimmagaddas to create a lasting legacy at St. Mary's by establishing the Drs. Indiradevi and Rhaghavaiah Nimmagadda Intellectual Curiosity Fund, from which an award is bestowed to an Upper School student each year. They see their gift, which is invested in St. Mary's endowment, as a way to give back to the school which continues to have a deep influence on their family. They hope that the Intellectual Curiosity Fund will encourage girls to question and explore divergent viewpoints through research and writing and enhance the intellectual experiences of others in the community - the essence of St. Mary's that attracted them in 1976 and which inspired their generosity in 2019.

ESTATE GIVING

MARGARET R. HYDE SOCIETY

Members of the Margaret R. Hyde Society demonstrate extraordinary devotion to St. Mary's by planning a future gift to the school through their estate plans.

Margaret Ruffin "Teter" Hyde, for whom the Margaret R. Hyde society is named, dedicated herself to causes in which she believed, and St. Mary's was one of them. A former Trustee of the school, Hyde led the way in a 1980s capital fundraising drive that enabled the construction of a new elementary building on the Moss Hall property, a building which school leaders at the time were honored to name The Margaret R. Hyde Activity Center. The school received its first sizable planned gift through Hyde's estate following her death in 1995.

The following alumnae and friends of St. Mary's have planned future gifts for the school through their wills and other estate gifts.

Please contact Director of Advancement Angie Gardner at (901) 537-1421 or agardner@stmarysschool.org to discuss how you can support St. Mary's future as a member of the Margaret R. Hyde Society.

CAMPUS VISIT INSPIRES INVESTMENT IN THE FUTURE

By Angie Gardner

Beth Jennings Kuhn '83 returned to St. Mary's for her 35th reunion in 2018 knowing she would have a great time. It turned out to be much more than that. "I had not been back to St. Mary's for a number of years. I was impressed by the beautiful new buildings and renovated spaces, but as I viewed student work on display, I was also keenly aware that the core values and mission of St. Mary's were as strong as ever – to provide unparalleled educational opportunities for girls and to give them a solid foundation for wherever their future might take them. When I walked into Chapel, it was as if the joys and sorrows of the intervening 35 years dropped away, and I was back in an oxford shirt, wool sweater, and tassel loafers. Tears filled my eyes as I found myself surrounded once more by the strong women of the Class of '83 and as I heard the voices of the young girls who may not yet realize how the St. Mary's experience will shape their lives."

Beth, who came to St. Mary's as a freshman in high school, says, "It was as if I'd been transplanted to a place of support and kindness. It was OK to be intelligent! The all-girls environment encouraged us to use our brains, to have confidence in our abilities, and to let our lights shine. It didn't matter so much what we wore as who we were on the inside and how we engaged with the rigorous academics."

After her reunion, Beth contacted the Advancement Office to inform the school that it would be the beneficiary of her retirement plan. "I view including SMS in my estate plans as a way to honor the memory of my parents

and the vision they had for me. I did not realize until much later how much of a financial sacrifice it had been for my parents. Their dedication and frugality allowed them to provide me with an exceptional education, and their investment paid off as I was awarded a substantial academic scholarship to college. St. Mary's is truly my "alma mater" (nourishing mother) in every sense, and it is an honor to have a small part in ensuring her future. Like my late mother, I consider this an investment in the future."

At St. Mary's, Beth was a serious piano student, and she sang in the choir and served on *Belles Lettres*. But one of her favorite memories is of the levity Mrs. George brought by teaching math on Halloween in a witch's costume. After graduating from Rhodes College, Beth enjoyed a long career as an elementary school librarian and media specialist, from which she recently retired.

ST. MARY'S COMMUNITY FUND

The St. Mary's Community Fund is a student-run organization founded in 1998 for the purpose of educating young women about the importance of philanthropy through hands-on fundraising, community service, and grant-making. Since 1998, the group has raised more than \$500,000 and funded more than 50 local non-profit agencies that benefit Mid-South children.

In 2018-2019, the SMCF granted \$31,500 to five different licensed non-profit Mid-South agencies. The agencies that benefited from grants are Carpenter Art Garden, The Hagar Center, Su Casa Family Ministries, Mid-South Food Bank, and Baptist Trinity Hospice.
