Policies and Procedures

General Information

To register online, please go to www.stmarysschool.org/auxiliary-programs/summer. When you click “register”, you will be directed to our online registration system Ultra Camp. If you haven’t done so before, please create a complete profile for you and your camper. You can register for camps, as well as make payments through this site. You may also contact Kacie O’Kelley at kokelley@stmarysschool.org or 901-537-1415 for any registration or payment questions.

A \$50 deposit per-camp is required for registration. *The \$50 per-camp deposit is applied toward the total camp fee; it is not an additional fee. The deposit reserves a space for your child, and the remaining balance is due by the start date of the camp. All deposits are non-refundable. Summer at St. Mary’s accepts Visa, MasterCard, Discover, and American Express, as well as checks and cash.

St. Mary’s camps will not be prorated for any reason.

Please contact the Auxiliary Programs Office at 901-537-1415 if you need to cancel a camp in advance. A minimum 10 days notice must be given to receive a refund, less the non-refundable deposit. Except in cases of illness or emergency that are disclosed to the Auxiliary Programs Office prior to the start of an activity, refunds will not be given after a program begins. No refunds will be given for those students who choose not to attend class without their parents’ knowledge. Confirmation of camp registration will be sent to you via email along with your class or camp locations. Confirmation email will show your balance, which **MUST** be paid by the start date of camp in order to attend. Classes with insufficient enrollment are subject to cancellation with a full refund. Advance notice will be provided to those registered.

Behavioral Policy

Students are expected to adhere to the policies of St. Mary’s Episcopal School. We reserve the right to dismiss from the program (without refund) any student whose behavior becomes unmanageable. Students and campers are not allowed to be unsupervised on campus and are expected to be neatly and properly dressed. The use or possession of alcohol, drugs, or tobacco products is not allowed, and any students in possession of such items will be expelled from the program and the appropriate authorities will be contacted. No refund will be given.

Campers must be at least 3 years of age by June 1, 2019 and fully potty trained (even through naptime) in order to attend summer programs. If more than three accidents occur within a week, St. Mary’s Auxiliary Programs may contact you to pick up your child from camp.

Late Fee

Students need to be picked up promptly at the end of camp. Parents will be charged a fee of \$2 per minute for the first 10 minutes. After 10 minutes, a late fee of \$5 per minute will be charged. All late fees must be paid at the time of pick-up.
